(b) The public member and alternate shall be reimbursed for expenses necessarily incurred by them in the performance of their duties under this part, and shall receive per diem compensation established by the committee.

The committee shall, as soon as is practicable after the close of each marketing season, prepare and mail an annual report to the Secretary and make a copy available to each grower and handler who requests a copy of the report.

EXPENSES AND ASSESSMENTS

§ 920.40 Expenses.

The committee is authorized to incur such expenses as the Secretary finds are reasonable and likely to be incurred by the committee for its maintenance and functioning and to enable it to exercise its powers and perform its duties in accordance with the provisions of this part. The funds to cover such expenses shall be acquired in the manner prescribed in § 920.41.

§ 920.41 Assessments.

(a) As his or her pro rata share of the expenses which the Secretary finds are reasonable and likely to be incurred by the committee during a fiscal period, each person who first handles kiwifruit during such period shall pay to the committee, upon demand, assessments on all kiwifruit so handled. The payment of assessments for the maintenance and functioning of the committee may be required under this part throughout the period it is in effect, irrespective of whether particular provisions thereof are suspended or become

inoperative. If a handler does not pay any assessment within the time prescribed by the committee, the assessment may be subject to an interest or late payment charge, or both, as may be established by the Secretary upon recommendation of the committee.

(b) The Secretary shall fix the rate of assessment to be paid by each such person during a fiscal period in an amount designed to secure sufficient funds to cover the expenses which may be incurred during such period and to accumulate and maintain a reserve fund equal to approximately one fiscal period's expenses. At any time during or after the fiscal period, the Secretary may increase the rate of assessment in order to secure sufficient funds to cover any later finding by the Secretary relative to the expenses which may be incurred: *Provided*, That any assessment, excluding any amount collected pursuant to § 920.55(c), must be limited to a maximum assessment rate of three and one-half cents per flat, or the equivalent thereof. The Secretary may increase this maximum rate in each succeeding year after the initial year of order operation by the Consumer Price Index (cost of living) for California as published by the Bureau of Labor Statistics. Such increase shall be applied to all kiwifruit handled during the applicable fiscal period. In order to provide funds for the administration of the provisions of this part during the first part of a fiscal period before sufficient operating income is available from assessments on the current year's shipments, the committee may accept the payment of assessments in advance, and may also borrow money for such purposes.

§ 920.42 Accounting.

(a) If, at the end of a fiscal period, the assessments collected are in excess of expenses incurred, such excess shall be accounted for in accordance with one of the following:

(1) If such excess is not retained in a reserve, as provided in paragraph (a)(2) of this section, it shall be refunded proportionately to the persons from whom it was collected: *Provided*, That any sum paid by a person in excess of his or

her pro rata share of the expenses during any fiscal period may be applied by the committee at the end of such fiscal period to any outstanding obligations due the committee from such person.

(2) The committee, with the approval of the Secretary, may carry over such excess into subsequent fiscal periods as a reserve: *Provided*, That funds already in the reserve do not equal approximately one fiscal period's expenses. Such reserve funds may be used: (i) To defray expenses, during any fiscal period, prior to the time assessment income is insufficient to cover such expenses; (ii) to cover deficits incurred during any fiscal year when assessment income is less than expenses; (iii) to defray expenses incurred during any period when any or all provisions of this part are suspended or are inoperative; and, (iv) to cover necessary expenses of liquidation in the event of termination of this part. Upon such termination, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: *Provided*, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received by the committee pursuant to the provisions of this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the committee and its members to account for all receipts and disbursements.

(c) Upon the removal or expiration of the term of office of any member of the committee, such member shall account for all receipts and disbursements and deliver all property and funds in his or her possession to the committee, and shall execute such assignments and other instruments as may be necessary or appropriate to vest in the committee full title to all of the property, funds, and claims vested in such member pursuant to this part.
